

1. To share on your Facebook profile, go to the C.A.R. Facebook Page by visiting www.facebook.com/CAREALTORS. You can share the video either by scrolling down to find the video on the C.A.R. Wall and clicking on share, or by visiting the Video tab on the top. See the screenshot below with a red circle around both of these options.

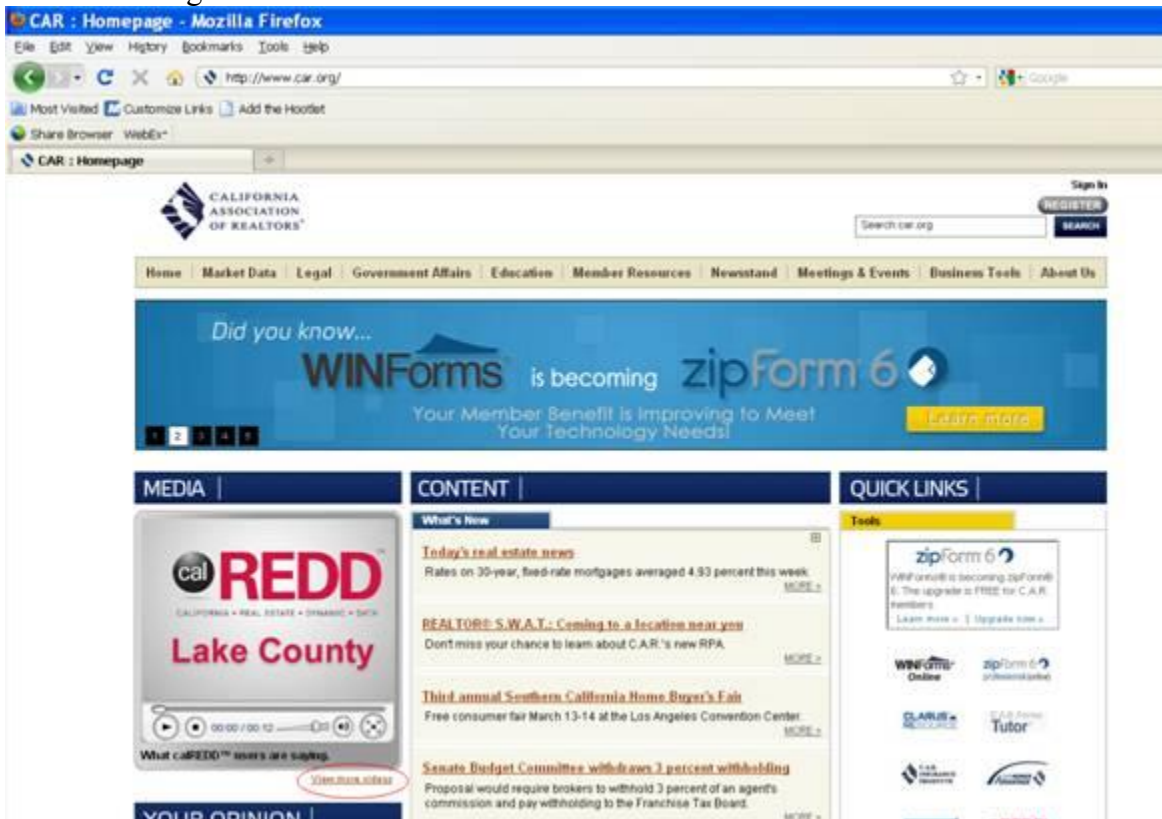

2. A screen will pop up asking you to post this video on your personal profile (NOT a page or group that you manage). You may add a message to the post as well.

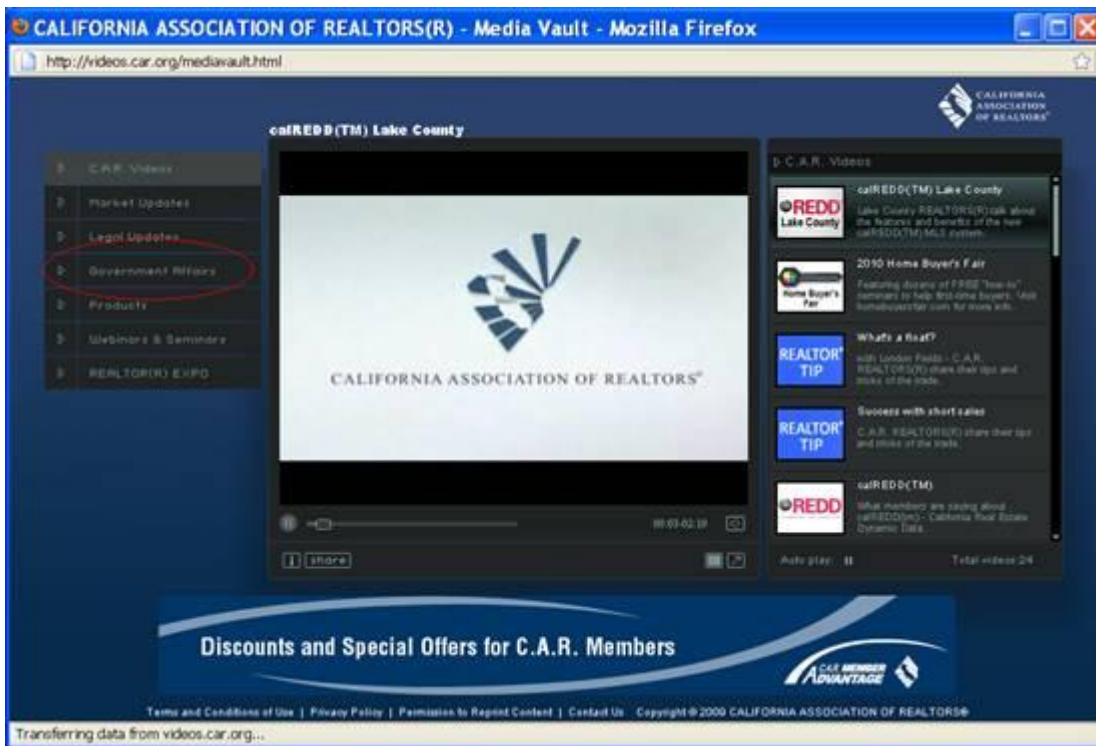

Or you can post to your Facebook profile, page, or Association Web site by using the link to videos found on car.org.

1. Go to car.org and click on “View More Videos” under the Media section

2. Go to the Government Affairs video section

3. Pick a video from the right hand side and click on share on the bottom left side of the video player

4. A box will pop up with information on how to share the video. You can click copy to grab the link and paste this on your Facebook page, profile, association web site, email, etc.
